

STANDARD GLASS

GLASS DILDO CARE AND INSTRUCTIONS

Standard Glass sex toys
are each handmade
works of art.

They are not Pyrex.
This means that they
should not be exposed
to extreme heat or cold.

Do Not Boil!

Do Not Freeze!

Use only warm or cool
water to change the
temperature of the toys.
Sanitize with alcohol.

All glass can chip,
scratch, or get broken.
Please check your toy
each time you use it.
Standard Glass cannot
be held responsible for
personal injury.
